REQUEST FOR EXTENSION OF TIME

QUALCOMM Inc. by its attorneys, hereby requests, pursuant to Section 1.46 of the Commission's Rules and Regulations, 47 C.F.R. § 1.46, that the Commission grant an extension of time until November 28, 1990 for the filing of responses in the above-captioned proceeding.

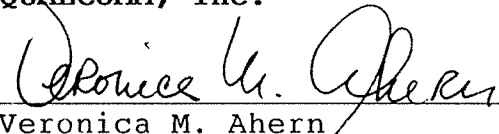

An extension of time is warranted in this case in order to allow QUALCOMM and other parties sufficient time to analyze and respond to the Opposition filed by Geostar Positioning Corporation on November 7, 1990, as well as to Comments filed by Motorola Inc.

QUALCOMM has contacted the attorneys for all other parties to this proceeding. None of those parties objects to a grant of this request for extension of time, and all parties agree that the establishment of a single date for filing of responses will aid the Commission's administrative efficiency. Therefore, QUALCOMM respectfully requests grant of an extension of time in this proceeding.

Respectfully submitted,

QUALCOMM, Inc.
