

November 13, 2013

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear Ms. Dortch:

Iridium Constellation LLC (“Iridium”), pursuant to Section 25.113(h) of the rules of the Federal Communications Commission (“Commission”), hereby certifies that, on November 11, 2013, it brought one of its technically identical in-orbit spare satellites into operation. Operation of this space station has not caused Iridium to exceed its total number of operating space stations authorized by the Commission. In addition, Iridium has determined by measurement that the activated spare is operating within the terms of its license.

Please contact the undersigned with any questions.

Sincerely,
