Office of Secretary

Dear Ms. Dortch:

Pegasus Development Corporation ("Pegasus"), by its attorneys, hereby responds to the letter dated October 27, 2004 from the Deputy Chief of the Satellite Division of the International Bureau to counsel for Pegasus. In light of the passage of time and changed circumstances with respect to its Ka-band systems, Pegasus now intends to pursue licenses for single-band BSS systems at the 107°W and 117°W orbital locations. Pegasus will apprise the FCC if in the future that decision changes.

Respectfully submitted,

Bruce D. Jacobs  
Tony Lin  
Counsel for Pegasus Development  
Corporation
