SAT-MOD-20050609-00117
Conditions of Authorization
July 20, 2005

1. SES Americom, Inc.'s (SES Americom) application, SAT-MOD-20050609-00117, to modify its current authorization, SAT-MOD-20040814-00159,¹ IS GRANTED. Accordingly, SES Americom's authorization to operate its Ku-band AMC-5 satellite, (Call Sign S2156) currently assigned to the 79.0°W.L. orbital location is modified to reflect operations at 78.95° W.L. with a $\pm 0.05^\circ$ East-West longitudinal station-keeping, in the frequency bands 11.7-12.2 GHz (space-to-Earth) and 14.0-14.5 GHz (Earth-to-space). Other than the change in the orbital location, the conditions contained in the prior authorization otherwise remain in effect and the AMC-5 satellite will operate in accordance with the terms, conditions, and technical specifications set forth in its application, this Attachment and the Commission's Rules.
2. SES Americom shall prepare the necessary information, as may be required, for submission to the ITU to initiate and complete the advance publication, international coordination, due diligence, and notification process of this space station, in accordance with the ITU Radio Regulations. SES Americom shall be held responsible for all cost recovery fees associated with these ITU filings. We also note that no protection from interference caused by radio stations authorized by other administrations is guaranteed unless coordination and notification procedures are timely completed or, with respect to individual administrations, by successfully completing coordination agreements. Any radio station authorization for which coordination has not been completed may be subject to additional terms and conditions as required to effect coordination of the frequency assignments of other administrations. *See* 47 C.F.R. § 25.111(b).
3. The license term for the Ku-band AMC-5 satellite expires on November 30, 2013 (*i.e.*, 15 years starting from the date that SES Americom commenced operation on the AMC-5 satellite).
4. SES Americom is afforded thirty days from the date of release of this grant and authorization to decline this authorization as conditioned. Failure to respond within this period will constitute formal acceptance of the authorization as conditioned.
5. This Grant is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. § 0.261, and is effective upon release. Petitions for reconsideration under Section 1.106 or applications for review under Section

¹ The August 18, 2004 application modified in turn the authorization granted in 1998. *Assignment of Orbital Locations to Space Stations in the Domestic Fixed-Satellite Service and the Application of GE American Communications, Inc. for Modification of Authorization to Construct, Launch, and Operate a Space Station in the Fixed-Satellite Service*, 14 FCC Rcd 686 (Sat. & Radiocomm. Div. 1998).

1.115 of the Commission's rules, 47 C.F.R. §§ 1.106, 1.115, may be filed within 30 days of the date of the public notice indicating that this action was taken.
