SAT-MOD-20050609-00118
Conditions of Authorization
July 20, 2005

1. SES Americom, Inc.'s ("SES Americom") application, SAT-MOD-20050609-00118, IS GRANTED. Accordingly, SES Americom's current authorization (SAT-MOD-20040812-00159) to operate its C-band Satcom C-3 satellite (Call Sign S2447) currently assigned to the 79.0°W.L. orbital location is modified to reflect operations at 79.05° W.L. with $\pm 0.05^\circ$ East-West longitudinal station-keeping, in the frequency bands 3700-4200 MHz (space-to-Earth) and 5925-6425 MHz (Earth-to-space). Other than the change in orbital location, the conditions contained in the prior authorization otherwise remain in effect and the Satcom C-3 satellite will operate in accordance with the terms, conditions, and technical specifications set forth in its application, this Attachment and the Commission's Rules.
2. SES Americom shall prepare the necessary information, as may be required, for submission to the ITU to initiate and complete the advance publication, international coordination, due diligence, and notification process of this space station, in accordance with the ITU Radio Regulations. SES Americom shall be held responsible for all cost recovery fees associated with these ITU filings. We also note that no protection from interference caused by radio stations authorized by other administrations is guaranteed unless coordination and notification procedures are timely completed or, with respect to individual administrations, by successfully completing coordination agreements. Any radio station authorization for which coordination has not been completed may be subject to additional terms and conditions as required to effect coordination of the frequency assignments of other administrations. *See* 47 C.F.R. § 25.111(b).
3. The license term for the C-band Satcom C-3 satellite expires on December 16, 2007 (i.e., 15 years starting from December 16, 1992, the date that SES Americom commenced operation on the Satcom C-3 satellite).
4. SES Americom is afforded thirty days from the date of release of this grant and authorization to decline this authorization as conditioned. Failure to respond within this period will constitute formal acceptance of the authorization as conditioned.
5. This Grant is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. § 0.261, and is effective upon release. Petitions for reconsideration under Section 1.106 or applications for review under Section 1.115 of the Commission's rules, 47 C.F.R. §§ 1.106, 1.115, may be filed within 30 days of the date of the public notice indicating that this action was taken.
