## Re: Petition for Reconsideration of International Bureau *Order* DA 09-1850, Call Signs S2346, S2680, S2681, S2682, and S2683

Dear Ms. Dortch:

On February 26, 2010, representatives of AtContact Communications, LLC ("AtContact") participated in a telephone call with Jennifer Schneider, Legal Advisor to Commissioner Copps, regarding AtContact's pending Petition for Reconsideration of the International Bureau's decision to nullify AtContact's satellite license. The purpose of the call was to summarize the matters and arguments set forth in the February 1, 2010 letter filed by AtContact in this proceeding. In particular, AtContact discussed the potential for a partial reconsideration of the International Bureau's decision that would allow AtContact to complete construction of a GSO satellite using the NGSO Ka-band spectrum at 121° W.L.

Pursuant to 47 C.F.R. § 1.1206(b), this notice is being filed electronically with a copy emailed to Ms. Schneider.

Respectfully submitted,

/s/
