Re: File No. SAT-MOD-20061206-00144

Dear Ms. Dortch:

On April 30, 2007, the undersigned met with Angela Giancarlo, Legal Advisor to Commissioner Robert McDowell, to review the status of above-referenced proceeding and the position of New ICO Services G.P. ("ICO") on the selection of operating frequencies for its 2 GHz MSS system.

ICO reiterated its previous statements on the record in this proceeding, reviewed its discussions with TerreStar Networks, Inc. ("TerreStar") in this matter, and noted ICO's efforts to reach an agreement with TerreStar on broader spectrum issues with respect to their 2 GHz MSS authorizations. ICO also reviewed the milestone status of its 2 GHz MSS system.

Please direct any questions about this submission to the undersigned.

Respectfully submitted,

Suzanne Hutchings Malloy
