Re: SAT-MOD-20061206-00144; Withdrawal of "Request for
Selected Assignment of 2 GHz Mobile Satellite Service
Operating Frequencies" (the "Request")

Dear Ms. Dortch:

TerreStar Networks Inc. ("TerreStar") hereby withdraws the Request submitted by TMI Communications and Company, Limited Partnership ("TMI") on behalf of itself and TerreStar¹ for modification of its spectrum reservation to reflect assignment of specific operating frequencies in the 2 GHz Mobile Satellite Service bands.

While TerreStar still would prefer the certainty of designating operating frequencies now in order to build its integrated satellite and terrestrial network in an efficient and cost effective manner, TerreStar has concluded that achieving this through

¹ The Request was filed by TMI on behalf of itself and TerreStar, because at the time the spectrum reservation for the 2 GHz MSS Letter of Intent ("LOI") authorization was in TMI's name and it had been proposed in a pending modification application to list the spectrum reservation in TerreStar's name instead. Since that time, the Commission has granted the consent to the modification application. *See Order, Application for Modification of Spectrum Reservation for 2 GHz Mobile Satellite Service System, DA 07-2028 (Int'l Bur., May 10, 2007)*. Therefore, this withdrawal of the Request is submitted by TerreStar.

Marlene H. Dortch, Secretary

a regulatory solution is not practicable at this time. TerreStar, therefore, will get as much certainty as possible through other means and, therefore, will withdraw its Request for frequency assignment.

Please direct any questions regarding the foregoing to the undersigned.

Respectfully submitted,

Handwritten signatures of Henry Goldberg and Jonathan L. Wiener.
