Re: Modification Application to Redeploy Intelsat 2 to 169.10° E.L.
File No. SAT-MOD-20080811-00153

Dear Ms. Dortch:

PanAmSat Licensee Corp. ("PanAmSat") herein notes that the schedule for moving Intelsat 2 to 169.10° E.L. has moved forward as a result of Intelsat 5's earlier-than-expected redeployment to 169.0° E.L. Specifically, PanAmSat now expects to move Intelsat 2 to 169.10 E.L. on January 12, 2009, rather than in March 2009 as stated in the above referenced modification application.

Please direct any questions regarding this letter to the undersigned at (202) 944-7848.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "S. Crandall", written over a horizontal line.

Susan H. Crandall
Assistant General Counsel
Intelsat Corporation
