**CONSENT MOTION FOR EXTENSION OF TIME**

Pursuant to Section 1.46 of the Commission's rules, SkyTerra Subsidiary LLC ("SkyTerra") and the US. Industry GPS Council ("GPS Council") hereby request that the Commission extend the filing deadline, for thirty days, for SkyTerra to submit any response to the Comments of the GPS Council filed in the above-captioned proceedings and for the GPS Council to submit a reply to any such response (i.e. an extension until, and including, August 24, 2009 and September 3, 2009, respectively).

On June 5, 2009 and June 10, 2009, the Bureau placed the above-referenced applications on public notice.<sup>1</sup> On July 10, 2009, the GPS Council filed comments regarding the applications. SkyTerra's response to the GPS Council Comments is due on July 23, 2009, and the reply of the GPS Council to that response would be due on August 4, 2009.<sup>2</sup>

<sup>1</sup> See Public Notice, Report No. SAT-00609 (June 5, 2009); Public Notice, Report No. SES-01145 (June 10, 2009).

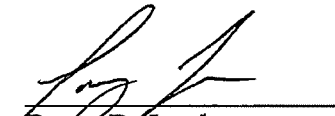

<sup>2</sup> SkyTerra has notified the two other parties filing pleadings in the above-captioned proceedings and they have not objected to the Consent Motion. See Petition to Deny of Amtech Systems LLC (July 10, 2009) ("Amtech Petition"); Comments of SkyWave Mobile Communications,

SkyTerra and the GPS Council have begun discussions regarding the matters raised by the GPS Council in its Comments and are optimistic that those discussions will lead to an agreement and resolution of any issues. Accordingly, to facilitate the negotiations and conserve Commission resources, SkyTerra and the GPS Council jointly request the extension described above.

Respectfully submitted,

SKYTERRA SUBSIDIARY LLC

---

Corp. and SkyWave Mobile Communications, Inc. (July 10, 2009) ("SkyWave Comments"). SkyTerra notes that because the issues raised by the GPS Council are distinct from the concerns raised in the Amtech Petition or SkyWave Comments, neither Amtech or SkyWave will be prejudiced by grant of this Consent Motion. SkyTerra currently intends to respond to the Amtech Petition and SkyWave Comments by the July 23, 2009 filing deadline.
