(CODETEL)

Ms. Christianson,

I am re-sending our response to your question on October 12, 2000.

With respect to the Dominican Republic, the surcharge of \$0.38 applies strictly to IMTS received collect messages.

Please feel free to contact me if you have any further questions.

Subject: Concert Accounting Rate Change with Dominican Republic
(CODETEL)

Mr. Sillett,

On August 31, 2000, Concert Global Network Services Limited filed an application for an accounting rate change for IMTS service with CODETEL in the Dominican Republic, file no. ARC-MOD-20000831-00144 (submission ID 2000000653).

The application indicates a current rate of \$0.52 and a new rate of \$0.38, with a surcharge of \$0.38.

Does the surcharge apply to received collect messages? If not, what type of service is covered by the surcharge?

Thank you for your assistance.
