Re: In the Matter of LightSquared Subsidiary LLC Request for Modification of its Authority
for an Ancillary Terrestrial Component; SAT-MOD-20101118-00239

Dear Ms. Dortch:

Please accept this letter of support for the work that LightSquared is doing in Maryland to provide reliable and affordable wireless broadband access to all, including to rural and urban communities that currently are underserved. Also, please accept this letter of support for the work the Federal Communication Commission ("FCC") is doing to carefully and thoughtfully work through the technical, policy, and practical issues associated with regulating LightSquared in its effort to compete and to innovate in the marketplace – these are fundamentally American principles and serve the best interest of our citizens.

Keep up the good work!

Sincerely,
