Re: *IBFS File No. SAT-MOD-20140127-00010*

Dear Ms. Dortch:

In connection with the above referenced request for extension of the license term for DIRECTV 7S, DIRECTV Enterprises, LLC hereby confirms the following:

1. The spacecraft has no single points of failure.
2. All subsystems on the spacecraft are operating normally.
3. The spacecraft has no issues with TT&C links, including back-up links.
4. DIRECTV has no present intention to move the spacecraft from the nominal 119° W.L. orbital location during the requested term of extension.
5. DIRECTV's estimate for the remaining useful life of the spacecraft is not based on any operations in inclined orbit.

Please direct any questions regarding this matter directly to the undersigned.

Sincerely yours,

/s/

William M. Wiltshire
Counsel for DIRECTV Enterprises, LLC
