Re: *DIRECTV Enterprises, LLC, IBFS File No. SAT-MOD-20140624-00075*

Dear Ms. Dortch:

In this proceeding, DIRECTV Enterprises, LLC (“DIRECTV”) has requested an extension or waiver of the launch and operate milestone for DIRECTV RB-2, a 17/24 GHz BSS space station to be operated at the nominal 103° W.L. orbital location. By letter dated February 27, 2015, DIRECTV informed the Commission that launch of the satellite on an Ariane 5 rocket was scheduled for May 20, 2015, and therefore requested that the Commission extend the launch and operate milestone for DIRECTV RB-2 through July 15, 2015.

Due to a slight delay in the preceding launch, DIRECTV RB-2 is now scheduled to be launched on or about May 27, 2015. Accordingly, DIRECTV requests that the Commission extend the launch and operate milestone for DIRECTV RB-2 through July 31, 2015.

Sincerely yours,

/s/
