Re: *Completion of In-Orbit Testing of DIRECTV RB-2 (Call Sign S2712)*

Dear Ms. Dortch:

This is to inform you that DIRECTV Enterprises, LLC completed in-orbit testing of the DIRECTV RB-2 space station (call sign S2712) on July 20, 2015. As confirmed by the attached declaration, the space station's measured performance is consistent with the authorization granted by the Commission.

If you have any questions, please direct them to me.

Sincerely yours,

/s/

William M. Wiltshire  
*Counsel for DIRECTV Enterprises, LLC*

## DECLARATION

I, Jack Wengryniuk, Senior Director – Spectrum Management and Regulatory Affairs for DIRECTV Enterprises LLP, hereby certify that the DIRECTV RB-2 spacecraft has successfully completed in-orbit testing. Its measured performance is consistent with the station authorization granted by the Commission, and the space station is capable of using its assigned frequencies.

Jack Wengryniuk  
Senior Director  
Spectrum Management and Regulatory Affairs  
DIRECTV Enterprises, LLP
