**Re: SES Americom, Inc., File No. SAT-MOD-20150820-00059:
Application for Extension of License for AMC-6 (Call Sign S2347)**

Dear Ms. Dortch:

SES Americom, Inc. ("SES"), by its attorney, hereby updates the above-referenced application for the extension of the license term of the AMC-6 satellite. Specifically, while estimates of the remaining fuel on AMC-6 have not changed, SES is willing to accept an eight-year extension of the license term, to November 22, 2023, rather than the extension to June 30, 2027 that SES originally requested.

Please address any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/ Karis A. Hastings
