**Re: Application to Extend the NSS-10 License Term
Call Sign S2415, File No. SAT-MOD-20191108-00129**

Dear Ms. Dortch:

SES Americom, Inc. ("SES"), by its attorney and pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, hereby updates the above-referenced application to extend the license term of the C-band NSS-10 satellite located at 37.45° W.L. Specifically, while estimates of the remaining useful life of NSS-10 have not changed, SES is willing to accept an extension of the license term to April 6, 2025 (instead of January 6, 2029, as originally requested).

Please contact the undersigned if you have any questions.

Respectfully submitted,

/s/ Karis A. Hastings
