**Re: Application to Extend the AMC-15 License Term and Authorize Repointing
Call Sign S2180, File No. SAT-MOD-20200227-00020**

Dear Ms. Dortch:

SES Americom, Inc. ("SES"), by its attorney and pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, hereby updates the above-referenced modification application that seeks to extend the license term of the Ku/Ka-band AMC-15 satellite located at 105.05° W.L. Specifically, while estimates of the remaining useful life of AMC-15 have not changed, SES is willing to accept an extension of the license term to May 31, 2025 (instead of October 1, 2026, as originally requested).

Please contact the undersigned if you have any questions.

Respectfully submitted,

/s/ Karis A. Hastings
