Dear Ms. Dortch:

On April 5, 2021, I spoke with Merissa Velez and Alyssa Roberts of the International Bureau about the satellite license modification application of Swarm Technologies, Inc. (“Swarm”) referenced above. On April 6, 2021, I spoke again with Merissa Velez about the same subject. During both conversations, we discussed the timing behind Swarm’s plans to deploy exclusively satellites with propulsion.

Please let me know if you have any questions.

Sincerely,
