Ownership Information for A/NPP Holdings LLC

As of the date of this filing, A/NPP Holdings LLC ("A/NPP") directly holds approximately a 19.47% equity and voting interest in HawkEye 360, Inc. ("HE360"), on a fully diluted basis.

A/NPP is beneficially owned by two entities, Advance Publications, Inc. and Newhouse Broadcasting Corporation ("API" and "NBCo," respectively). NBCo is the majority shareholder of A/NPP with a 65% equity interest in A/NPP. API owns the remaining 35% equity interest in A/NPP and the board of directors of API makes all voting and investment decisions with respect to the HE360 shares held by A/NPP.

Taken as whole, Newhouse family members ("Newhouse Family"), each of whom is a U.S. citizen, ultimately own and control API and NBCo. However, no single stockholder or single member of the Newhouse Family, holding an interest in NBCo and/or API, has a 10% or greater attributable interest in HE360.
