Re: Inmarsat Ventures Limited, File No. SAT-MSL-20040210-00027

Dear Ms. Dortch:

On behalf of Inmarsat Ventures Limited, we are writing to ask that the Commission designate this proceeding as "permit but disclose" for *ex parte* purposes. The Commission has the authority to do so by order, letter or public notice where the public interest so requires, as it does in this case. See 47 C.F.R. § 1.1200(a).

This proceeding involves Inmarsat's request for a determination that it has satisfied the remaining goals of the ORBIT Act. As such, it involves important policy matters, the resolution of which would benefit from a free exchange of views. Moreover, the information gathered in this proceeding will assist the Commission in its upcoming Report to Congress Regarding the ORBIT Act. See SPB-206 (Apr. 23, 2004). Moreover, designating the *ex parte* status of this proceeding as "permit but disclose" would be consistent with the Commission's treatment of a similar request by New Skies Satellites N.V. in an analogous situation. See SAT-00059 (Nov. 14, 2000).

Respectfully submitted,

John P. Janka
Alexander D. Hoehn-Saric
