**Re: Ex Parte Presentation**  
**File No. SAT-PDR-20000420-00083**

Dear Ms. Salas:

Pursuant to Sections 1.2000 and 1.2006 of the FCC's Rules, Telesat Canada ("Telesat") files this letter to report an ex parte presentation in the above-referenced proceeding to add ANIK F1 to the Permitted Space Station List.<sup>1</sup> On September 21, 2000, Bert Rein, on behalf of Telesat Canada, spoke with Tom Tycz, Chief, Satellite and Radiocommunication Division, FCC. During that conversation, Bert Rein reiterated points made in Telesat's pleadings in this proceeding and urged prompt action on Telesat's pending petition. Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely yours,

Bert W. Rein
