**RE: File Nos. SAT-PDR-20020425-00071 *et al.*
Notification of SES Americom, Inc. pursuant to § 1.65**

Dear Ms. Dortch:

SES Americom, Inc. ("SES Americom"), by its attorneys and pursuant to Section 1.65 of the Commission's rules, hereby updates its pending space station applications to reflect recent changes in the ownership of its parent company, SES Global S.A. ("SES Global"). Specifically, General Electric Capital Corporation ("GE Capital") sold its shares in SES Global that had been held in a voting trust after converting the shares into Fiduciary Depositary Receipts. Consequently, the voting trust has been terminated, and GE Capital's economic interest in SES Global has been reduced.

These changes affect the information previously provided in the pending proceedings in exhibits to FCC Form 312. Revised exhibits for SES Americom are attached to this letter, along with a list of the affected applications. Please direct any questions regarding this submission to the undersigned.

Respectfully submitted,

Karis A. Hastings
Counsel for SES Americom, Inc.

1. General Electric Capital Corporation ("GE Capital") holds shares of SES Global representing an effective economic interest of 25.12% and effective voting power of 20.10%.¹ GE Capital is a corporation organized under the laws of New York. GE Capital engages in a broad spectrum of financial services, including distribution, sales financing, commercial and industrial financing, real estate, transportation and reinsurance. GE Capital's address is as follows:

2. The State of Luxembourg and Banque et Caisse d'Epargne de l'Etat ("BCEE") and Société Nationale de Crédit et d'Investissement ("SNCI"), each of which is an institution created by act of the Luxembourg Parliament and 100% owned by the State of Luxembourg, and the Etat du Grand Duché de Luxembourg hold shares of SES Global representing a combined effective economic interest of 16.67% and effective voting power of 33.33%.² The principal business of both BCEE and SNCI is financial services. ¹ These percentages include shares representing a 1.35% voting interest and a 1.69% economic interest that are currently held by SES Global. These shares were purchased in a buy-back program and are scheduled to be cancelled on December 8, 2005. The buy-back program has provisionally diluted the voting and economic interests of the participating shareholders. After cancellation of the shares, GE Capital's voting interest will return to the same level the company held prior to commencement of the buy-back program. GE Capital's sale of shares it held through a voting trust has reduced its economic interest in SES Global.

² These percentages include shares representing a 2.07% voting interest and a 1.03% economic interest that are currently held by SES Global pursuant to the buy-back program and are scheduled to be cancelled on December 8, 2005. After cancellation of the shares, the State of Luxembourg's economic interest will return to the same level the State held prior to commencement of the buy-back program. The ultimate effective voting interest of the State of Luxembourg has been reduced slightly as a result of GE Capital's sale of shares that were held through a voting trust. Those shares had been voted in the same manner and proportion as the remaining SES Global shares, resulting in a small increase in the effective voting interest of other shareholders.
