Re: Notice of Ex Parte Presentation, Report No. SPB-196;
File No. SAT-PDR-20020425-00071

Dear Ms. Dortch:

On May 26, Nancy Eskenazi of SES Americom and I met with Barry Ohlson, Senior Legal Advisor to Commissioner Adelstein, to discuss matters relating to the above-referenced proceedings. SES Americom restated arguments it has made in its pleadings in these proceedings that the Commission can and should authorize SES Americom to provide DBS service to the U.S. from the 105.5° W.L. location subject to international coordination and that conducting a separate rulemaking proceeding on DBS spacing is not necessary.

Please direct any questions regarding this submission to the undersigned.

Respectfully submitted,

Karis A. Hastings
Counsel for SES Americom, Inc.
