Re: MD Docket No. 20-105; Calls Sign: S2685 and S2639
Request to Surrender Authority

Dear Ms. Dortch:

On behalf of the Sky Perfect JSAT Corporation (“JSAT), we hereby request that the FCC cancel authority of certain space stations and space station points of communications, as detailed below. These space stations are either no longer operational or no longer providing service to the U.S. market.

Type of Authority	Associated Space Station	Reason for Surrender
Call Sign S2685	Superbird B2	No longer serving the U.S. market
Call Sign S2639	Superbird C	Decommissioned
Point of communication on E010236	JCSAT-1B	Deorbited
Point of communication on E030087	JCSAT-2A	Now located at 82EL and no longer used for service in the U.S.
Point of communication on E000127 and E960207	JCSAT-3A	No longer providing service to the U.S. market
M063130 on E100028; also point of communication on E100089 and E010016	JCSAT-5A	No longer provides service to the U.S. market

Accordingly, JSAT should be subject to payment of regulatory fees for two space stations currently serving the U.S. market: JCSAT-2B and Superbird B2.

Please let me know if you have any questions.

Sincerely,

/s/ Sallye Clark
