Re: Request to Update the Records of the International Bureau to Reflect a Name Change for Loral Skynet do Brasil Ltda.

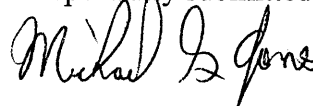

Dear Ms. Dortch:

On behalf of Telesat Canada, indirect parent of Loral Skynet do Brasil Ltda., operator of satellite Estrela do Sul 1 on the Permitted Space Station List, this letter is to inform the Federal Communications Commission that the name of Loral Skynet do Brasil Ltda. has been changed to "Telesat Brasil Capacidade de Satélites Ltda." This change results from an alteration in the legal name of the entity without any change in its organizational form. Telesat Canada hereby respectfully requests that the records of the International Bureau, including those maintained in the International Bureau Filing System (IBFS), be updated to reflect this change. Counsel to Telesat Canada also will update the FCC's CORES database to reflect this change. We also request that the call sign for Estrela do Sul 1 be associated in the FCC's records with the FRN identified below. This name change and FRN association will need to be made with respect to the following call sign:

Call Sign	File Number	FRN	New Licensee Name
S2474	SAT-PPL-20070129-00022	0007854573	Telesat Brasil Capacidade de Satélites Ltda.
Estrela do Sul 1	SAT-PPL-20051220-00266		

Please contact the undersigned at 202-303-1141 (Mike Jones) or 202-303-1143 (Angie Kronenberg) should you have any questions regarding this submission.

Respectfully submitted,

Michael G. Jones
