Re: Satélites Mexicanos, S.A. de C.V. Petition for Declaratory Ruling To Add Satmex 8 to the Permitted Space Station List, File No. SAT-PPL-20120727-00122

Dear Ms. Dortch:

Satélites Mexicanos, S.A. de C.V. (“Satmex”), out of an abundance of caution and pursuant to Section 1.65 of the Commission’s Rules, 47 C.F.R. § 1.65, hereby submits this letter to clarify certain information relating to the above-referenced petition.

The response to Question 43 in FCC Form 312 inadvertently refers to Satmex 6 rather than Satmex 8, the subject of the petition. All other references are correct and, for avoidance of doubt, the response to Question 43 should similarly reflect Satmex 8. We would appreciate the staff’s guidance if additional action is required to address this inadvertent typographical error.

Please feel free to contact the undersigned with any questions you may have or if Satmex can provide any additional information to facilitate expeditious action on its application.

Sincerely,

Squire Sanders (US) LLP
