Subject: RE: Petition to Add Amazonas-1 to FCC Permitted List at 36 WL (SAT-PPL-20130430-00064)

Dear Mr. Duall

I thank you again for your kind and clear message.

Once we have analyzed our petition according with your remarks, we inform you that is not our intention to provide Direct-to-Home (DTH) services in the United States by means of Amazonas-1 satellite at the 36 W.L. location (IBFS File No. SAT-PPL-20130430-00064).

We beg you to continue processing our request for the rest of the petition, id est, to add the Amazonas-3 satellite at 36 W.L. to the Permitted Space Station List and permitting the use of the extended 13.75-14.0 GHz Ku-band capacity on the AMAZONAS-1 satellite as well.

Best regards,

Vicente Rubio Carretón
