**Re: Eutelsat, S.A. Submission pursuant to 47 C.F.R. § 1.65,
Petition for Declaratory Ruling for EUTELSAT 133WB,
File No. SAT-PPL-20180129-00012, Call Sign S3029**

Dear Ms. Dortch:

Eutelsat S.A. (“Eutelsat”), the applicant in the above-referenced application proceeding, hereby submits this letter pursuant to Section 1.65 of the Commission’s rules, 47 C.F.R. § 1.65, to update certain administrative information.

The petition in the above-referenced proceeding made reference to the Eutelsat Petition for Declaratory Ruling for EUTELSAT 133WA To Access the U.S. Market and To Be Added to the Permitted Space Station List at the Nominal 133°W.L. Orbital Location (File No. SAT-PPL-20180122-00008, Call Sign S3026). However, as a result of certain administrative issues, Eutelsat has requested that petition be dismissed and has filed a new petition for the EUTELSAT 133WA satellite to access the U.S. market, File No. SAT-PPL-20180302-00018, Call Sign S3031. Eutelsat respectfully requests that references to the prior EUTELSAT 133WA petition be considered references to the current petition.

Please feel free to contact me with any questions regarding this matter.

Respectfully submitted,

A handwritten signature in black ink that reads "Carlos M. Nalda". The signature is written in a cursive style with a large initial "C" and "M".
