Re: PanAmSat Licensee Corp. Inadvertent Omission of Corporate Entity

Dear Mr. Giusti:

PanAmSat Licensee Corp. discovered yesterday that recent applications filed with the Federal Communications Commission inadvertently omitted an intermediate U.S. holding company known as PanAmSat International Systems LLC, which is the direct parent of PanAmSat Licensee Corp. This entity does not affect ultimate ownership or control of the licenses held by PanAmSat Licensee Corp. PanAmSat Licensee Corp. sincerely regrets the error and will identify this entity in future applications, including the application filed today for authority to launch and operate a replacement satellite at 91° W.L.

Please do not hesitate to contact the undersigned with any questions.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Susan H. Crandall".
