Reference: Application of COMSAT General Corporation for
authority to relocate the MARISAT F-1 (KS-33)
AOR satellite
File No. 1299-DSS-ML-89

Subject: Request for Special Temporary Authority

Dear Ms. Searcy:

On April 17, 1989 COMSAT General Corporation filed an
Application with the Commission for authority to relocate its
MARISAT F-1 (KS-33) AOR satellite from 15° W.L. to 106° W.L.

The Department of Defense supports the relocation of the
MARISAT F-1 AOR satellite to 106° W.L. and the Application is
unopposed. COMSAT General herein requests Special Temporary
Authority to enable it to begin the relocation of the MARISAT
AOR satellite on January 26, 1990.

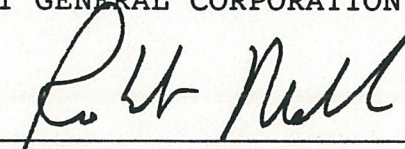

A grant of Special Temporary Authority will enable COMSAT
General to meet its contract obligation to INMARSAT and permit
the U.S. Signatory to INMARSAT to meet the service requirements
of its MSS customer, in furtherance of the public interest.

The requisite fee is attached hereto.

Respectfully submitted,

COMSAT GENERAL CORPORATION
