Re: Intelsat LLC Withdrawal of Pending Applications
File No. SAT-STA-200208130-00149; Call Sign S2392
File No. SAT-MOD-20011221-00143; Call Sign S2399

Dear Ms. Dortch:

Intelsat LLC ("Intelsat"), by its attorneys, hereby withdraws the following two pending applications:

1. File No. SAT-STA-200208130-00149; Call Sign S2392. Intelsat filed this request for Special Temporary Authority ("STA") for 30 days to operate INTELSAT 601 at 32.9° E.L. Thereafter, Intelsat filed a request for STA to relocate the INTELSAT 601 satellite to 64.25° E.L., which the International Bureau granted. Accordingly, Intelsat no longer requires STA to relocate the INTELSAT 601 satellite to 32.9° E.L. and withdraws that pending request.
2. File No. SAT-MOD-20011221-00143; Call Sign S2399. Intelsat filed this application for modification of the INTELSAT 603 authorization to continue to operate this satellite at 24.5° W.L. until the INTELSAT 905 satellite was launched and on-station at that location. Thereafter, Intelsat filed further modifications and amendments ultimately seeking to relocate the INTELSAT 603 satellite to 19.95° W.L., which the International Bureau granted. Accordingly, Intelsat no longer requires modification of its authorization to maintain the INTELSAT 602 satellite at 24.5° W.L. and withdraws that pending application.

Should you have any questions, please do not hesitate to contact me. Thank you.

Sincerely,

Jennifer D. Hindin
