Re: **WRITTEN EX PARTE PRESENTATION**
File No. SAT-STA-20050325-00076
Application of SES Americom, Inc. for Special Temporary Authority
To Repoint Satcom SN-4

Dear Ms. Dortch:

The Boeing Company ("Boeing") submits this letter to further supplement the record in the above-captioned application proceeding. Earlier today representatives of Boeing, SES Americom, Inc. and Intelsat held a teleconference to discuss coordination of the Satcom SN-4 satellite at 172°E and the I-605 satellite at 174°E. Pursuant to these discussions, Intelsat and SES Americom have agreed that the operations of Satcom SN-4 proposed in the application for Special Temporary Authority ("STA") have been coordinated (SES Americom and Intelsat will execute a separate coordination agreement) and that Intelsat does not object to grant of the STA. They also agreed that Boeing should submit this notification to the Commission staff.

Please feel free to contact the undersigned with any questions regarding this submission.

Respectfully submitted,

Carlos M. Nalda
Counsel for The Boeing Company
