Dear Ms. Dortch:

In the above referenced proceeding, DIRECTV Enterprises, LLC ("DIRECTV") has requested Special Temporary Authority ("STA") to relocate the DIRECTV 2 satellite from the nominal 101° W.L. orbital location to 91° W.L. This is to confirm that, as of November 15, all traffic has been transferred from DIRECTV 2 to its replacement, DIRECTV 8. Accordingly, no subscriber would experience a lapse in service due to relocation of the satellite.

If you have any questions, please do not hesitate to contact me.

Respectfully submitted,

William M. Wiltshire
Counsel to DIRECTV Enterprises, LLC
