Re: *Request for Special Temporary Authority*; SAT-STA-20061002-00114

Dear Ms. Dortch:

On 16 January 2007, Nate Davis and Jim Blitz of XM Radio, Inc., and undersigned counsel, met with Commissioner Tate and her legal advisor, Chris Robbins, in connection with the above-noted request for an STA.

In this meeting, we suggested that this issue was ripe for decision and that the STA should be granted because XM's "as built" network is smaller, less powerful and causes less potential interference than the network it is currently authorized to build. We also noted that XM has over 7.5 million subscribers who rely on it for service.

Please let me know if you have any questions about this filing.

Sincerely yours,
