Re: *DIRECTV 1 Traffic Transfer and Migration*
SAT-STA-20070126-00019

Dear Mr. Nelson:

On March 8, 2007, the Commission granted the above referenced request for authority to relocate the DIRECTV 1 satellite to the nominal 91° W.L. orbital location allocated to Canada under the ITU's Region 2 BSS Plan. Pursuant to Condition 1 of that authorization, DIRECTV Enterprises, LLC ("DIRECTV") hereby notifies the Commission that the transfer of customer traffic from DIRECTV 1 to DIRECTV 1R was completed on April 12, 2007, and the satellite has begun the migration to its new orbital location.

If you have any questions, please do not hesitate to contact undersigned counsel.

Sincerely yours,

William M. Wiltshire
Counsel for DIRECTV Enterprises, LLC
