REQUEST FOR EXTENSION OF TIME

The Puerto Rico Radio Broadcasters Association, by its counsel, hereby requests an extension of time in which to file a Petition to Deny the above-captioned application for Special Temporary Authority. Pursuant to 47 C.F.R. 25.154, a timely opposition is due May 27, 2009. However, the Puerto Rico Radio Broadcasters Association held its annual convention this past weekend, during which it reached the collective decision to oppose the above-captioned application. Thus, the Puerto Rico Radio Broadcasters Association respectfully requests a brief extension, to June 5, 2009, to submit its pleading. This relatively brief extension of time will not prejudice any party and will serve the public interest by allowing the Puerto Rico Radio Broadcasters Association to produce a more complete pleading.

Please direct any questions regarding this request to the undersigned counsel.

Sincerely,

/s/ Davina S. Sashkin
