**Re: File No. SAT-STA-20100408-00068 (Call Sign S2807)  
Notification of SES Americom, Inc.**

Dear Mr. Nelson:

In the above-referenced authorization,<sup>1</sup> SES Americom, Inc., ("SES Americom," doing business as "SES WORLD SKIES"),<sup>2</sup> was authorized to conduct in-orbit testing ("IOT") of the SES-1 satellite at 142.5° W.L. before deploying the satellite to 101°W.L. Pursuant to the terms and conditions set forth in the grant, SES WORLD SKIES hereby advises the Commission that the SES-1 satellite arrived at 142.5° W.L. on May 9, 2010, and IOT commenced on the same date. SES WORLD SKIES notified the Air Force Frequency Management Agency and Fibertower Spectrum Holdings, LLC of the scheduled IOT prior to the commencement of testing.

If there are any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Karis A. Hastings  
Counsel for SES Americom, Inc.

<sup>1</sup> See File No. SAT-STA-20100408-00068 (Call Sign S2807), grant-stamped Apr. 23, 2010.

<sup>2</sup> On September 7, 2009, SES S.A. announced that the newly integrated operations of its two indirect subsidiaries, New Skies Satellites B.V. and SES Americom would be conducted under a single brand name, SES WORLD SKIES. The new brand name does not affect the underlying legal entities that hold Commission authorizations or U.S. market access rights.
