Re: Iridium Satellite LLC
File # SAT-STA-20110311-00052

Dear Mr. Porter:

As we discussed during our telephone conversation on Friday, March 25, 2011, Globalstar withdraws its objection to the requested 30-day extension of the special temporary authority granted to Iridium Satellite LLC in the referenced matter, reserving its rights to re-urge its objection once it has completed its analysis of the effects of the interference that Globalstar is experiencing globally as a result of Iridium's use of the frequencies between 1616 and 1617.775.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Barbee Ponder IV". The signature is fluid and cursive, with a long horizontal stroke at the end.
