Re: Grant of Special Temporary Authority for Galaxy 26,
Call Sign S2469, File No. SAT-STA-20111219-00241

Dear Mr. Nelson:

As required by Condition 13 of the above-referenced grant of Special Temporary Authority,¹ Intelsat License LLC (“Intelsat”) submits this letter as an update on the status of coordination discussions between Intelsat and Al Yah Satellite Communications Company PrJSC (“Yahsat”). At this time, no coordination agreement for the continued operation of Galaxy 26 at 50.0° E.L. has been concluded. However, Intelsat has been in regular discussions with Yahsat, and the parties are scheduled to meet in Geneva this coming Monday, February 6, 2012. Intelsat expects to have a signed agreement with Yahsat on that day, but in any event no later than by mid-February.

Sincerely,

/s/ Kalpak Gude
