Re: *IBFS File No. SAT-STA-20120508-00080*

Dear Ms. Dortch:

On May 8 2012, DIRECTV Enterprises, LLC (“DIRECTV”) filed the above referenced request for Special Temporary Authority to continue to stationkeep the DIRECTV 1R satellite at the 109.8° W.L. orbital position until such time as the spacecraft could be de-orbited. In the interim, DIRECTV’s plans for the satellite have changed, and it now has an opportunity to put the spacecraft to productive use for the remainder of its operational lifetime. Accordingly, DIRECTV withdraws the aspect of this application that relates to de-orbiting of the satellite.

Respectfully submitted,

/s/

William M. Wiltshire
Counsel for DIRECTV
