File No. SAT-STA-20170314-00050

Dear Ms. Dortch:

Intelsat License LLC (“Intelsat”) herein supplements its above referenced request for Special Temporary Authority (“STA”). Specifically, Intelsat is updating the record to reflect a new commencement and launch date. Accordingly, the first paragraph should now read:

Intelsat License LLC (“Intelsat”) herein requests a grant of Special Temporary Authority (“STA”) for 90 days, beginning **June 30, 2017**, to conduct in-orbit testing (“IOT”) of the Intelsat 35e satellite (Call Sign S2959) at 33.0° W.L. and to drift the satellite to its permanent location of 34.5° W.L. Intelsat 35e is scheduled to be launched no earlier than **June 30, 2017**. The IOT period is expected to last approximately 45 days and the drift to 34.5° W.L. is expected to last approximately five days.

Please direct any further questions regarding this STA supplement to the undersigned at (703) 559-6949.

Sincerely,

/s/ Cynthia J. Grady
