**Re: SES Americom, Inc. Request to Relocate AMC-6 to 85° W.L.
Call Sign S2347, File Nos. SAT-MOD-20170316-00051 & SAT-STA-20170316-00052**

Dear Ms. Dortch:

SES Americom, Inc. ("SES"), by its attorney and pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, hereby updates the record in the above-referenced proceedings, in which SES is seeking authority to relocate the AMC-6 satellite to 85° W.L. Specifically, SES clarifies that it does not propose to use AMC-6 C-band capacity for direct-to-home ("DTH") services from the 85° W.L. orbital location.

SES requests that the Commission update its records to reflect this information and seeks expedited processing of the AMC-6 relocation request. Please address any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/ Karis A. Hastings
