RE: Application Information Update, Momentus Inc., IBFS File NO: SAT-STA-20210210-00020 & SAT-STA-20200831-00102

Dear Mr. Kensinger:

In accordance with Section 1.65 of the Federal Communications Commission rules, and with the express intent of ensuring the ongoing accuracy and completeness of our pending applications, I hereby submit in my capacity as Deputy General Counsel and Chief Ethics & Compliance Officer for Momentus Inc. ("Momentus") the following recent update regarding Momentus ownership:

As of March 1, 2021, each of (i) Mr. Kokorich (and Nortrone Finance S.A., which is wholly owned and controlled by Mr. and Mrs. Kokorich), and (ii) Brainyspace LLC (the sole member of which is Olga Khasis, a U.S. citizen and wife of Lev Khasis, a co-founder and former director of the Company who is a legal permanent U.S. resident and also a Russian citizen), have relinquished their ability to direct the voting of any shares in Momentus through the implementation of trust structures and certain voting arrangements. The Momentus shares of which they are beneficial owners will be voted as directed by voting advisors designated by the board of directors of Momentus. The initial voting advisors are certain officers of Momentus, and any successor voting advisors will be subject to approval by the CFIUS monitoring agencies and must be U.S. citizens. The terms of the trust structures require such shares to be divested by March 1, 2024.

If you require any further information related to this application, please contact Philip Hover-Smoot at 415.254.1295 or via phhs@momentus.space.

Very Respectfully,

A handwritten signature in black ink, appearing to read "PHHS", followed by a long horizontal line extending to the right.
