Request for 180-day Special Temporary Authority (STA)
SAT-STA-20210401-00042
Call Sign 2348

Maxar License Inc. clarifies the instant application for STA to correct a typographical error in its narrative submission.

Pursuant to the STA, WorldView-4 seeks to conduct X-band data downlink at 8025-8400 MHz at the requested 100-400 km orbital altitude, not the previously authorized 350-450 km altitude.
