Re: IBFS File Nos. SAT-STA-20210401-00044, SES-STA-20210316-00513

Dear Ms. Dortch:

As described in the applications for Special Temporary Authority referenced above, Capella Space Corp. seeks to operate a ground-based system for calibrating the synthetic aperture radar systems of Capella-5 and -6 following deployment of those satellites in space. This letter clarifies the start date and duration of the authority requested under those applications: Capella requests authority to operate beginning 14 days after the Capella-5 and -6 satellites are launched and for a period not to exceed 30 days thereafter.

Please contact the undersigned if you have any additional questions.

Sincerely,

A handwritten signature in black ink that reads 'Paul Caritj'.

Paul Caritj  
*Counsel for Capella Space Corp.*
