Re: Spaceflight, Inc.;
Errata to Application for Special Temporary
Authority (“STA”) to deploy and operate
Sherpa-FX3, File No. SAT-STA-20210810-00097

Dear Ms. Dortch:

Spaceflight, Inc. (“Spaceflight”), responds to questions from the Commission regarding the above referenced application for special temporary authority for the Sherpa-FX3 spacecraft.

Spaceflight would like to inform the Commission that GPS frequencies to be employed in connection with above-referenced application. The Sherpa-FX3 will be receiving GPS signals in the L1 band at 1575.42 MHz.

Questions with respect to this matter should be referred to the undersigned.

Sincerely,

/s/ Will Lewis
