Re: Spaceflight, Inc.;  
Errata to Application for Special Temporary  
Authority (“STA”) to deploy and operate  
Sherpa-LTC1, File No. SAT-STA-20210812-00098

Dear Ms. Dortch:

Spaceflight, Inc. (“Spaceflight”), hereby respectfully requests that all references to the “2025-2120 MHz band” in the materials submitted as part of the above referenced application be read as the “2025-2110 MHz band.”

The references to the 2110-2120 frequency band in the application materials were made in error.

Spaceflight regrets this error and apologizes for any confusion that it may have caused.

Questions with respect to this matter should be referred to the undersigned.

Sincerely,

/s/ Will Lewis
