Dear Ms. Tritt:

On July 18, 2002, you filed with the Commission, as counsel to ICO Global Communications (Holdings) Limited ("ICO Global"), the above-referenced applications to transfer the control of various non-common carrier licenses from CCI International N.V. and ESBH, Inc., respectively, to ICO Global. In order for the Commission to complete its analysis and make the necessary public interest findings, as required under section 310(d) of the Communications Act (the "Act"), some additional information and clarification regarding the transaction is needed. This information will assist the Commission in determining whether public interest issues are raised by any direct or indirect foreign investment in the proposed transferee.¹

Accordingly, pursuant to section 308(b) of the Act,² we request that you provide written responses and supporting documentation for the questions set forth below, and, where appropriate, amend the Applications to reflect such responses. Your responses should be filed with Marlene H. Dortch, Secretary, Federal Communications Commission

1. Please disclose any identifiable foreign interest, direct or indirect, in the remaining 16.7% voting interest and 60.6% economic interest in ICO Global not identified in the above-reference applications.
2. Please disclose any identifiable foreign interest, direct or indirect, in Craig O. McCaw's investment company, Eagle River Investments, LLC.

4. Please certify that all the answers are true and complete, and that there are no material facts that have been omitted.

We want to inform you that if the foreign ownership information provided is relevant to a public interest determination, then we may find the filing to be a significant amendment to the application, which requires a public notice and comment cycle. As a reminder, pursuant to section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, applicants have the responsibility to maintain the accuracy of their applications. Please contact Howard Griboff, Attorney-Advisor, at (202) 418-0657, with any questions regarding this information request.
