Re: *ORBCOMM License Corp. -- Notification of Consummation of Transfer of Control; File Nos. SES-T/C-20040322-00473, SES-T/C-20040322-00457 and SAT-T/C-20040318-00036*

Dear Ms. Dortch:

Pursuant to Section 25.119(f) of the Commission's rules, 47 C.F.R. § 25.119(f), ORBCOMM License Corp. ("ORBCOMM"), hereby supplements its previous letter of January 25, 2005, which notified the Commission of the consummation of the transfer of control of ORBCOMM. ORBCOMM supplements that notification to incorporate the two earth station licenses that were also transferred as part of the same transaction -- File Nos. SES-T/C-20040322-00473 and SES-T/C-20040322-00457. The previous letter inadvertently omitted the earth station licenses from the consummation notification. Commission approval of the transfer of control of those earth station licenses was announced in the Public Notice released on December 8, 2004 (Report No. SES-00667). The transfer of control over those licenses awaited Commission approval of the satellite transfer, which became effective upon Commission approval of the transfer of control of the satellite license on December 30, 2004. (Public Notice, DA No. 04-4069, released December 30, 2004).

Please contact the undersigned if you have questions or require additional information.

Sincerely,

  
Stephen L. Goodman  
Counsel for ORBCOMM License Corp.
